

PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA

CLERK'S OFFICE

NOTICE OF ORAL ARGUMENTS

DOCKET NO. 2019-390-E

Ganymede Solar, LLC's Petition Pursuant S.C. Code Ann. Section 58-27-980 v. Dominion Energy South Carolina, Incorporated and Motion to Maintain Status Quo

On February 27, 2020, the Public Service Commission of South Carolina (the Commission) issued Order No. 2020-159, and it approved the following motion:

Upon reviewing the Motion for Protective Order filed by Ganymede Solar and the Motion to Compel filed by Dominion Energy, I move to hold all prefile testimony deadlines and the hearing date in abeyance pending resolution of the discovery dispute between these parties.

This discovery dispute should be scheduled by the Clerk for oral argument before the Commission on March 18th, 2020 at 10:00 a.m., which was the date that we previously reserved and noticed the parties for a merits hearing, so the parties should already have that date and time on their calendar. So the Clerk's Office should schedule oral argument on these two discovery motions for that same date and time, March 18, 2020 at 10:00 am.

The Hearing Officer is instructed to set a procedural schedule. Any party of record desiring to assist in the development of a procedural schedule, including any change in the date for oral arguments in the discovery dispute, may request a status conference or status meeting before the Hearing Officer within fifteen (15) days from today to provide their input on the procedural schedule. Thereafter, the hearing officer is instructed to set the procedural schedule.

With regard to the motion for clarification of Commission Order No. 2020-43, the Commission took Ganymede Solar, LLC's Motion to Maintain Status Quo under advisement until the hearing in this docket on the Petition filed by Petitioner Ganymede on December 20, 2019. The parties then remain in the same position that they were when the matter was filed. I move that the Commission advise the parties that nothing has changed regarding their position or status concerning the underlying Interconnection Agreement between Ganymede and the Company and that the parties' rights continue to be the same as when the matter was previously filed as of December 20, 2019 until the merits hearing and further Order by the Commission. Ganymede's request for an expedited hearing on the motion for clarification is rendered moot by my motion.

If the Application or Petition in this case contains a request for adjustment of rates, the rates are subject to potential modification by the Commission during the course of this case.

PLEASE TAKE NOTICE that Oral Arguments in the above-named docket are scheduled to begin on **Wednesday, March 18, 2020, at 10:00 a.m.**, before the Commission in the Commission's Hearing Room at 101 Executive Center Drive, Suite 100, Saluda Building, Columbia, South Carolina 29210.
